

**Open Access**

**Proceedings of the 2007 and 2008 Symposia on Protein N-terminal Acetylation**

Bergen, Norway

24-25 May 2007 and 11-13 September 2008

[www.biomedcentral.com/1753-6561/3?issue=S6](http://www.biomedcentral.com/1753-6561/3?issue=S6)

**Editor-in-Chief**  
Melissa Norton, MD

**S1 Protein N-terminal acetylation: NAT 2007-2008 Symposia**

Thomas Arnesen

**S2 A synopsis of eukaryotic N<sup>α</sup>-terminal acetyltransferases: nomenclature, subunits and substrates**

Bogdan Polevoda, Thomas Arnesen and Fred Sherman

**S3 Composition and biological significance of the human N<sup>α</sup>-terminal acetyltransferases**

Kristian K Starheim, Darina Gromyko, Rolf Velde, Jan Erik Varhaug and Thomas Arnesen

**S4 Characterization of the human N<sup>α</sup>-terminal acetyltransferase B enzymatic complex**

Amagoia Ametzazurra, Cristina Gázquez, Marta Lasa, Esther Larrea, Jesús Prieto and Rafael Aldabe

**S5 Application of reverse-phase HPLC to quantify oligopeptide acetylation eliminates interference from unspecific CoA hydrolysis**

Rune Evjen, Kristine Hole, Mathias Ziegler and Johan R Lillenhaug

**S6 A review of COFRADIC techniques targeting protein N-terminal acetylation**

Petra Van Damme, Jozef Van Damme, Hans Demol, An Staes, Joël Vandekerckhove and Kris Gevaert

*BMC Proceedings* ([www.biomedcentral.com/bmcproc](http://www.biomedcentral.com/bmcproc)) is an open access journal published by BioMed Central Ltd. The journal publishes proceedings from meetings and conferences, including collections of peer-reviewed full articles as well as meeting abstracts. Content is not restricted to any particular discipline within biomedicine. *BMC Proceedings* (ISSN 1753-6561) is indexed/tracked/covered by PubMed, CAS and Google Scholar.

Publish with **BioMed Central** and every scientist can read your work free of charge

*"BioMed Central will be the most significant development for disseminating the results of biomedical research in our lifetime."*

Sir Paul Nurse, Cancer Research UK

Your research papers will be:

- available free of charge to the entire biomedical community
- peer reviewed and published immediately upon acceptance
- cited in PubMed and archived on PubMed Central
- yours — you keep the copyright

Submit your manuscript here:
