

| Monitoring Group | Watershed | Location | Damage Assessment | Remedial Actions | Waste Comments |
|------------------------|------------|-------------|---|-----------------------------------|---|
| TA-21 | Los Alamos | LADP-3 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | LAOI(a)-1.1 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as GIC |
| TA-21 | Los Alamos | LAOI-3.2 | No damage/impact. | None. | NO Issues |
| TA-21 | Los Alamos | LAOI-3.2a | No damage/impact. | None. | NO Issues |
| TA-21 | Los Alamos | LAOI-7 | No damage/impact. | None. | NO Issues |
| TA-21 | Los Alamos | R-5 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-6 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-64 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-66 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-6i | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-8 | No damage/impact. | None. | No Issues |
| TA-21 | Los Alamos | R-9 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as LLW |
| TA-21 | Los Alamos | R-9i | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as LLW |
| TA-21 | Los Alamos | TA-53i | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | MCOI-5 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | MCOI-6 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as LLW |
| Chromium Investigation | Mortandad | R-1 | Debris and sediment accumulation - minimal. | Clear pad of debris and sediment. | Any trash would be managed as Municipal waste |
| Chromium Investigation | Mortandad | R-13 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | R-15 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | R-28 | Active operations underway - cleanup completed. | None. | No Issues |
| Chromium Investigation | Mortandad | R-42 | Active operations underway - cleanup completed. | None. | No Issues |
| Chromium Investigation | Mortandad | R-44 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | R-45 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Mortandad | R-50 | No damage/impact. (mesa top location) | None. | No Issues |
| Chromium Investigation | Mortandad | R-61 | No damage/impact. (mesa top location) | None. | No Issues |
| Chromium Investigation | Mortandad | R-62 | No damage/impact. (mesa top location) | None. | No Issues |
| Chromium Investigation | Sandia | R-11 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as Municipal waste |
| Chromium Investigation | Sandia | R-35a | No damage/impact. | None. | No Issues |
| Chromium Investigation | Sandia | R-35b | No damage/impact. | None. | No Issues |
| Chromium Investigation | Sandia | R-36 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Sandia | R-43 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Sandia | SCI-1 | No damage/impact. | None. | No Issues |
| Chromium Investigation | Sandia | SCI-2 | No damage/impact. | None. | No Issues |
| MDA C | Mortandad | R-14 | No damage/impact. | None. | No Issues |
| MDA C | Mortandad | R-46 | No damage/impact. (active construction site). | None. | No Issues |
| MDA C | Mortandad | R-60 | No damage/impact. | None. | No Issues |
| TA-54 | Mortandad | R-21 | No damage/impact. | None. | No Issues |
| TA-54 | Mortandad | R-37 | No damage/impact. | None. | No Issues |
| TA-54 | Mortandad | R-38 | No damage/impact. | None. | No issues |
| TA-54 | Mortandad | R-55 | No damage/impact. | None. | No Issues |
| TA-54 | Mortandad | R-55i | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-20 | No damage/impact. | None. | No Issues |

| Monitoring Group | Watershed | Location | Damage Assessment | Remedial Actions | Waste Comments |
|----------------------|--------------------------------|---------------|--|-----------------------------------|-----------------------------------|
| TA-54 | Pajarito | R-23 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-23i | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-32 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-39 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-40 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-41 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-49 | No damage/impact. | None. | No Issues |
| TA-54 | Pajarito | R-51 | No damage/impact. | None. | No Issues |

| TA-16-260 | Pajarito | R-18 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | 16-25280 | Minor debris accumulation. | Clear pad of debris. | No Issues |
| TA-16-260 | Water | 16-26644 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-16-02656 | No damage/impact; | None. | No Issues |
| TA-16-260 | Water | CdV-16-02659 | No damage/impact; | None. | No Issues |
| TA-16-260 | Water | CdV-16-1(i) | Minor damage to pad from surface water runoff. | Regrade/place base course. | No Issues |
| TA-16-260 | Water | CdV-16-2(i)r | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-16-4ip | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-16-611923 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-37-1(i) | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-R-15-3 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | CdV-R-37-2 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | MSC-16-06295 | Debris accumulation. | Clear pad of debris. | No Issues |
| TA-16-260 | Water | R-25b | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | R-26 PZ-2 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | R-26 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | R-47i | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | R-48 | No damage/impact. | None. | No Issues |
| TA-16-260 | Water | R-63 | Saturated ground conditions. | Pad reworked for R-63i work. | No Issues |
| MDA AB | Ancho | R-29 | No damage/impact. | None. | No Issues |
| MDA AB | Ancho | R-30 | No damage/impact. | None. | No Issues |
| MDA AB | Water | R-27 | No damage/impact. | None. | No Issues |
| MDA AB | Water | R-27i | No damage/impact. | None. | No Issues |
| General Surveillance | Frijoles, Ancho, and Chaquehui | R-31 | No damage/impact. | None. | No Issues |
| General Surveillance | Los Alamos | LAO-3a | No damage/impact. | None. | No Issues |
| General Surveillance | Mortandad | CDBO-6 | No damage/impact. | None. | No Issues |
| General Surveillance | Mortandad | MCO-5 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as LLW |
| General Surveillance | Mortandad | MCO-7 | Debris and sediment accumulation. | Clear pad of debris and sediment. | Any trash would be managed as LLW |
| General Surveillance | Mortandad | R-16 | No damage/impact. | None. | No Issues |

| Monitoring Group | Watershed | Location | Damage Assessment | Remedial Actions | Waste Comments |
|----------------------|-----------|----------|--|----------------------|---|
| General Surveillance | Mortandad | R-16r | No damage/impact. | None. | No Issues |
| General Surveillance | Mortandad | R-33 | Debris accumulation on pad. | Clear pad of debris. | Debris removal |
| General Surveillance | Pajarito | 03-B-13 | No damage/impact. | None. | No Issues |
| General Surveillance | Pajarito | 18-MW-18 | No damage/impact. | None. | No Issues |
| General Surveillance | Pajarito | PCAO-8 | No damage/impact. (same pad as R-49) | None. | No Issues |
| General Surveillance | Pajarito | PCI-2 | (same pad as R-17) No damage/impact. | None. | No Issues |
| General Surveillance | Pajarito | R-17 | No damage/impact. | None. | No Issues |
| General Surveillance | Pajarito | R-19 | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | APCO-1 | Well completely removed by channel erosion. Fence damaged. | Replace well???? | Significant waste Management would be needed to replace this well |
| General Surveillance | Pueblo | POI-4 | Minor damage to pad from surface water runoff. | Replace base course. | No Issues |
| General Surveillance | Pueblo | R-2 | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | R-24 | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | R-3 | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | R-3i | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | R-4 | No damage/impact. | None. | No Issues |
| General Surveillance | Pueblo | TW-2Ar | No damage/impact. | None. | No Issues |
| General Surveillance | Sandia | R-10 | No damage/impact. | None. | No Issues |
| General Surveillance | Sandia | R-10a | No damage/impact. | None. | No Issues |
| General Surveillance | Sandia | R-12 | No damage/impact. | None. | No Issues |
| General Surveillance | Sandia | SCA-2 | No damage/impact. | None. | No Issues |
| General Surveillance | Water | WCO-1r | Debris acumulation. | Clear debris. | No Issues |
