

Dear Dr Luo,

Re: "A Review of Non-Contact Micro and Nano Printing Technologies" by Ru, Changhai; Luo, Jun; Xie, Shaorong; Sun, Yu
Article reference: JMM-100283.R1

We are happy to tell you that we have accepted your revised article for publication in Journal of Micromechanics and Microengineering as a Topical Review. Any further comments from the referees can be found below and/or attached to this message.

We will contact you soon, when proofs of your article are ready for final approval. Please ensure you return your article proofs by the date given, or your article may be published without your corrections.

All articles published by IOP Publishing are available online to readers at <http://iopscience.org/>. For more information, please contact our Customer Services department at custserv@iop.org.

Thank you for your interest in Journal of Micromechanics and Microengineering. We look forward to publishing your article.

Yours sincerely

Ian Forbes PhD

REFeree REPORT(S) :

Referee: 2

COMMENTS TO THE AUTHOR(S)

The authors well responded to the my reviewer's comments. Now this should be in publishable form.

Referee: 3

COMMENTS TO THE AUTHOR(S)

The review paper now covers a good diversity of printing technologies; it can be a good reference and inspiring material for many researchers.
