## A corrigendum on

Electronic medication monitoring-informed counseling to improve adherence to combination anti-retroviral therapy and virologic treatment outcomes: a meta-analysis

by Langebeek N, Nieuwkerk P. *Front Public Health* (2015) 3:139. doi: 10.3389/fpubh.2015.00139

An error occurred with citations in the Discussion section.

All citations of reference #22 (study from Rigsby et al.) on page 8, column 1, paragraph 2 and 3, should be replaced by citations of reference #24 (study from Sabin et al.).

The correction does not affect the scientific validity of the results.
