We recommend

Early Changes in Kidney Distribution under the New Allocation System.

Allan B Massie et al., J Am Soc Nephrol

Allocating Deceased Donor Kidneys to Candidates with High Panel-Reactive Antibodies.

Howard M Gebel et al., Clin J Am Soc Nephrol

New national allocation policy for deceased donor kidneys in the United States and possible effect on patient outcomes.

Ajay K Israni et al., J Am Soc Nephrol

Approach to the Highly Sensitized Kidney Transplant Candidate.

Douglas S Keith et al., Clin J Am Soc Nephrol

Kidney transplant outcomes for prior living organ donors.

Vishnu Potluri et al., J Am Soc Nephrol

Researchers recommend use of HCV-positive organs for kidney transplant [↗](#)

Healio

Simultaneous pancreas-kidney transplant increased survival in type 1 diabetes [↗](#)

Healio

Management of solid tumours in organ-transplant recipients [↗](#)

Thankamma V Ajithkumar et al., The Lancet Oncology

Survival Benefit From Transplantation in Patients Listed for Heart Transplantation in the United States [↗](#)

Tajinder P. Singh, Journal of the American College of Cardiology

The Benefit of Donor-Recipient Matching for Patients Undergoing Heart Transplantation [↗](#)

Vidang P. Nguyen et al., Journal of the American College of Cardiology
