Connect Patients with Support Resources

PHA offers ongoing education and information for patients and caregivers at every stage of their PH journey. We now provide resources to help your patients and caregivers cope with the mental, emotional, social and spiritual components of living with PH. To download your free guide, visit www.PHAssociation.org/Coping.

First Pediatric PH Research Program Funded

The Pulmonary Hypertension Association is pleased to announce that the Robyn Barst Pediatric Research and Mentoring Fund has hit its initial funding goal to begin operations. This is the first pediatric research fund established to support pediatric research in pulmonary hypertension. Grant procedures are currently being developed and when complete will be posted on the PHA website at www.PHAssociation.org/BarstFund. More detailed information will also appear in the next issue of *Advances in Pulmonary Hypertension*.

Global PHCR Memberships

In an effort to increase global membership in PH Clinicians and Researchers (PHCR) and foster the sharing of ideas around the world, PHA is offering free firstyear memberships for non-US physicians, researchers, residents, and fellows interested in PH. Benefits of PHCR membership include case-based learning opportunities by top PH specialists, access to an email group of a growing number of PHCR members, inclusion in PHA's Find A Doctor Directory, and more. For medical professionals in countries that have a gross national income per capita of less than \$5000 USD, PHCR memberships may be renewed at no cost each year. Learn more at www.PHAssociation.org/PHCR.
