

INTERIM CHANGE NOTICE
(ICN)

A. Document No.: PNNL-14301 Revision No.: 1		Implementation Date of ICN: 11 / 20 /03
Document Title: Monitoring Plan for RCRA Groundwater Assessment at the 216-U-12 Crib		Change Requested By: BA Williams
Document's Original Authors: BA Williams and CJ Chou		
B. Action: Make changes in the monitoring plan as described in Section D. Attach this ICN to the front of the document just before the title page.		
C. Effect of Change: This ICN corrects a typing error that was identified for one of the well numbers listed in Tables 4.1 and 4.2 on page 4.3 of the plan.		
D. Reason for Change/Description of Change: Reason for Change: These changes correct a typing error in the groundwater assessment plan for the 216-U-12 crib. Description of Change: Strike out the incorrect well number 299-W22-51 and write in the correct well number 299-W21-51 in Tables 4.1 and 4.2 on page 4.3 of the document. Write this ICN number near these cross-outs. Initial and date all changes.		
E. Document Management Decisions: This ICN is being approved by SP Luttrell, BA Williams, and MJ Hartman, who approved the original document. The original distribution list is attached and all recipients will receive this ICN.
