

Captive Audience?: Strategies for getting food and physical activity in two Detroit neighborhoods

by

Daniel J. Rose

**A dissertation submitted in partial fulfillment
of the requirements for the degree of
Doctor of Philosophy
(Sociology)
in the University of Michigan
2010**

Doctoral Committee:

**Associate Professor Renee Anspach, Chair
Professor Lorraine M. Gutierrez
Professor Karin A. Martin
Professor Alford A. Young, Jr.**

DEDICATION

I dedicate this dissertation to my wife, Tara, my brother, Aaron, and my parents, Barry and Marcy. Without their patience and support, this would not have been possible. I also dedicate this work to Stephanie Kadel-Taras and Jeff Taras. When times were tough, they inspired me with their wisdom and love. I am also grateful to Robert “MC5 Bob” Siegert, who helped me better understand the city of Detroit, Michigan.

ACKNOWLEDGEMENTS

I thank the participants, who made this research possible, and my mentor and committee chair, Renee Anspach.
