

A candidate must earn at least a "Line 3" rating on the dissertation during his or her defense hearing in order to qualify for a successful evaluation of his or her dissertation. A candidate earning a "Line 2" rating must make revisions within four weeks of the date of the dissertation defense, and must submit his or her revised dissertation to the dissertation chair at the end of the four week period. A candidate earning a "Line 3" rating must make revisions within eight weeks of the date of the dissertation defense, and must submit his or her dissertation at end of the eight week period. An evaluation of the revised dissertation must be reported on the Rating Form for Dissertation Revision.
