

Journal of Genetics Online Resources

July – September 2015

Chaves C. L., Ruas C. F., Ruas P. M., Schneider A. A., Rocha K. R., Urtubey E. and Ruas E. A. 2015 Isolation and characterization of twelve polymorphic microsatellite loci for *Hypochoeris catharinensis* (Asteraceae) and cross-amplification in related species. *J. Genet.* **94**, e39–e42. Online only: <http://www.ias.ac.in/jgenet/OnlineResources/94/e39.pdf>

Sajeela K. A., Gopalakrishnan A., Basheer V. S., Bineesh K. K. and Jena J. K. 2015 Development and characterization of eighty-one microsatellite markers in Indian white shrimp, *Fenneropenaeus indicus*, through cross-amplification. *J. Genet.* **94**, e43–e50. Online only: <http://www.ias.ac.in/jgenet/OnlineResources/e43.pdf>

Zhang F., Zhang L., Cui F., Luo X., Zhou Y. and Xie J. 2015 Identification of novel insertion–deletion markers for Dongxiang wild rice (*Oryza rufipogon* Griff.) using high-throughput sequencing technology. *J. Genet.* **94**, e51–e55. Online only: <http://www.ias.ac.in/jgenet/OnlineResources/e51.pdf>
