

**Keynote Speaker 1: Prof. Zhi-Min Ao**

Distinguished Professor, “1000 Plan” for Young Professionals of Chinese Government Institute of Environmental Health and Pollution Control School of Environmental Science and Engineering Guangdong University of Technology

**Research Interest:**

- Bioinformatics
- Biomedical Engineering

**Biographical sketch:**

Zhi-Min Ao is working with “1000 Plan” for Young Professionals of Chinese Government Institute of Environmental Health and Pollution Control School of Environmental Science and Engineering Guangdong University of Technology. He has won the 2009 JMBE Best Annual Excellent Paper Award and the dragon thesis award that sponsor is Acer Foundation. He has published a number of international journal and conferences article related to these areas.

**Keynote Speaker 2: Dr. Elammaran Jayamani**

Program Coordinator Mechanical Engineering, Faculty of Engineering, Computing and Science, Swinburne University of Technology Sarawak campus, Malaysia

**Research Interest:**

- Materials Science and Engineering
- Sustainable Energy and Environmental Materials

**Biographical sketch:**

Elammaran Jayamani is working with Program Coordinator Mechanical Engineering, Faculty of Engineering, Computing and Science, Swinburne University of Technology Sarawak campus, Malaysia. He has won Best Annual Excellent Paper Award in international conference. He has published a number of international journal and conferences article related to these areas.
