

Conference Poster

III International Conference on Small Angle Neutron Scattering

dedicated to the 80th anniversary of Yu.M. Ostanevich

June 6-9, 2016, Dubna, Russia

Organized by

Frank Laboratory of Neutron Physics, Joint Institute for Nuclear Research in Dubna
and
Moscow Institute of Physics and Technology in Dolgoprudny

Topics

- **SANS methods and instrumentation**
- **Soft matter investigations by means of SANS**
- **Complex systems investigations by means of SANS**
- **Complementary methods for condensed matter research**
- **Bio-related SANS studies**
- **SANS in condensed matter studies**
